3. Competitor Analysis

Competitor	Rating	Price Range	Est. Monthly Revenue
Blue Tokai	4.7	INR 300–500 for two	INR 18,00,000

Gap Opportunity: Position as the premium-but-accessible third-wave café for remote workers

4. Location Intelligence

Footfall	Competition Density	Accessibility	Growth Potential
88	72	90	82

5. Financial Forecast

Monthly rent estimate: INR 45,000 · Staff cost: INR 120,000 · Break-even: month 8 · 12-month ROI: 22.5%

6. Risk Analysis

Risk score: **45/100** (Low)

Mitigation Strategies

- Lock in rent for 3 years at fixed rate
- Bulk-buy coffee beans quarterly
- Cross-train all staff on core operations

7. Recommendations

- Launch with 'Coffee Subscription' model for remote workers
- Establish direct-trade relationships with 2–3 coffee farms
- Create Instagram content calendar before launch

8. Roadmap Timeline

Phase 1 — Immediate

- Secure location lease
- Hire lead barista

Phase 2 — Preparation

- Interior design + equipment setup
- Social media campaign

Phase 3 — Launch

- Break-even trajectory
- Launch loyalty program

Phase 4 — Growth

- Expand seating area
- Introduce merchandise line

9. Overall Go / No-Go

Strong demand signal (85/100) and healthy margins make this viable.

Final Verdict: GO — Business Health Score 72/100, Confidence 78%.
